BENEFITS OF TMA MEMBERSHIP

The Sacramento Transportation Management Association (TMA) is the oldest TMA in Sacramento and one of the largest in the country. Incorporated in 1989, the TMA represents employers, office, retail and residential properties, and commuters.

TMA programs and services reduce absenteeism, operating costs and demand for parking. They also enhance recruitment, increase productivity and improve employee morale.

The Sacramento TMA is an extension of your staff. Specializing in commuter information and services, the TMA makes your people look like alternative commute experts.

The TMA is a strong component of its members' sustainability programs.

The TMA supports its members by advocating for and providing diverse, sustainable transportation choices that benefit the Sacramento community.

Together we address transportation and air quality issues with programs and services that are more comprehensive, cost-effective and successful than any individual effort could be.

PROGRAMS AND SERVICES

www.sacramento-tma.org

The Sacramento TMA is an independent association of organizations that are taking action to improve traffic congestion and air quality.

Through participation in the Sacramento TMA, organizations also offer information and services to help people choose greener ways to travel.

SMART TRANSPORTATION CHOICES

sacregion511.org.

People see all their travel choices in one place: trip

planning, transit providers, carpool matches, vanpools and vouchers for the TMA's Emergency Ride Home service.

Information displays

Experienced and knowledgeable TMA staff can offer personal travel assistance at an information table at your site.

Carpool ride-matching

To reduce the stress and cost of driving alone in traffic, the TMA helps people find carpool matches.

Vanpool formation assistance

The TMA helps people form, find, and fill vanpools, offers incentives and provides information on state and local subsidies.

Trip planning

Commute needs change based on where we live, distance from work, weather, and personal responsibilities. TMA staff offer personalized trip planning by phone or email to help people identify the travel mode that best fits their lifestyle.

Transit Field Trip

Participants on our guided rides learn how to plan a trip and use the Regional Transit bus and light rail system, website and mobile apps.

THE SACRAMENTO TMA IS AN EXTENSION OF YOUR STAFF, MANAGING YOUR COMMUTE PROGRAMS AND PROVIDING IMMEDIATE ANSWERS TO YOUR QUESTIONS.

EMPLOYEE COMMUTE PROGRAMS

Emergency Ride Home service

So they are not stranded if they are sick, have an emergency or must work unexpected overtime, employees who commute by carpool, vanpool, transit or bicycle can use the TMA Emergency Ride service to get home.

Free training and networking

Members share experiences and ideas at monthly sessions, with presentations and guest speakers on how to make your commute program successful.

Lunch & Learn seminars

The TMA presents clinics on topics that affect commuters: Smart Cycling, Find a Carpool, Start Vanpooling, Riding the rails - light rail, Capitol Corridor, and the bus system.

Corridor and seasonal campaigns

The Sacramento TMA helps coordinate Bike Month, Bike to Work Day, and other trip reduction campaigns.

Mobile work force resource

The TMA can help with policies, procedures and examples of successful telework programs.
